

# Lincoln Area Agency on Aging

## ActivAge EVENTS

~ **TREES OF LOVE** This is the 19th year that the Lincoln Area Agency on Aging and Wells Fargo Bank have teamed together to ensure that older people will be remembered and receive a gift they wish for during the holidays. The project began with Lancaster Manor in 1987 and has grown to include eight facilities and 1100 residents. Each nursing home provides the first name and gift wish of their residents and LAAA Volunteer Programs writes these wishes on ornaments to be placed on trees in all the Wells Fargo Bank facilities. People in the community are asked to come to Wells Fargo Branch Bank, remove an ornament, write their own name on the thank you which remains on the trees, purchase and wrap the suggested gift and return it to any Wells Fargo. *Please help because after all, Christmas isn't just for kids!* For more information, call Volunteer Programs at 402-441-7026.

~ **HERITAGE LEAGUE'S HOLIDAY OF TREES** See the Lincoln Area Agency on Aging's tree, "It Takes a Village to Care," at the 33<sup>rd</sup> annual charitable fund-raiser. *"Caring for a parent, spouse, loved one, or friend when they are ill or failing is an honor and sometimes a challenge. The Lincoln Area Agency on Aging salutes and recognizes Caregivers everywhere. Our tree is filled with photos of persons who are either caregivers or loved ones who received care. For more information about how the Lincoln Area Agency on Aging is part of the Village that supports Caregivers, phone 441-7070 or visit [www.lincoln.ne.gov/](http://www.lincoln.ne.gov/), keyword: aging."* The event will be **December 1 and 2**, 10am-8:30pm, at the Unitarian Church, 6300 "A" Street.
